The humble apron has been in service for centuries and worn by both men and women alike. Come learn the history and importance of this unassuming but necessary article.

You are invited to share your apron memories and bring a cookie recipe to share.

What would an apron be without smudges from homemade baked cookies?

Judith Krall-Russo will bring her collection to have on display, and she will be wearing one of her favorite aprons. Attendees are invited to wear or bring their favorite apron.
