

The Friends of the Sayreville Public Library

The Friends of the Sayreville Public Library was founded in 1999. Our mission is to promote the mission and services of the Sayreville Public Library through advocacy as well as financial and programming support. We raise funds through various fundraisers including our book sales which take place throughout the year. We assist the library and the community through our Library Programs in the schools and occasional adult programs in the library. We also provide funds for the library to use in purchasing new materials.
